

HP Supplies Return and Recycling Program -FY'2023

HP is proud to acknowledge  as a key partner, contributing to the **HP Planet Partners Program**.

HP LaserJet toner and ink cartridges

Returned Original HP LaserJet toner and ink cartridges are collected and sent to recycling facilities in France and Germany respectively. These facilities are fully permitted and meet the requirements for ISO 14001 and ISO 9001, an internationally recognized standard of environmental management systems.
